

J'ai trouvé sur le site www.timetableimages.com de Björn Larsson et David Zekria des documents concernant la compagnie **Caribbean Atlantic Airlines**. Avec comme slogan : « The Route of the Trade Winds », La Route des Alizés, cette compagnie créée en 1939 et dénommée **Caribair** à compter de 1946 desservait les îles des Caraïbes notamment en matière de tourisme. Elle cessa son activité en 1973.
